

Dear colleagues,

It is with great pleasure that I invite you in the upcoming Annual Cable industry conference for 2015 under the headline:

“ The digital highways to Europe 2020.: Lot Bulgaria 2015. Content, infrastructure and business models in a broadband market environment.”

The conference will take place on **NOVEMBER 10, 2015 at SOFIA EVENT CENTER** (Paradise Mall) with the participation of leading market players, senior regulatory and government officials, MPs, industry bodies and leading NGOs, as well as leading national and international industry experts.

The agenda includes several working sessions combining presentations and discussion panels with numerous opportunities for informal networking and business discussions throughout the day and during the Official dinner and after-party events.

Individual tickets:

Early bird rate: closes on October 15th, 2015

For BACCO member – companies: 2 free individual tickets

For non-members cable / telecom companies: 1 free individual ticket

For all other parties: **200 BGN per individual ticket**

Full rate tickets: purchased from October 15 till Nov. 09, 2015

For non-members cable / telecom companies: **50 BGN per individual ticket**

For all other parties: **300 BGN per individual ticket**

Last-minute rate at the door of the event: 400 BGN per individual ticket
